WACO family and Friends

There are two good things coming up quickly that I want to cover first.

The first one is as follows:

We have decided to have our **WACO luncheon at Sugar Shane's in Augusta on Friday May 28th at 1:00 pm**. They are located at 430 State street in Augusta. If you would like to meet somewhere before and cruise to Augusta together please call David Hime at 316-371-7100 any time after 11:00 am to coordinate a time and a meeting spot.

After the WACO luncheon we are going to go to the **Twisted OZ** motorcycle museum. They are on the West end of Augusta on the South side of Hwy 400. Admission is always free. It is a great museum full of motorcycles.

To go ahead and get the tears over with now, I wanted to mention that Doug and Becky Stukey will not be able to attend our luncheon. ☹️ On the brighter side though you can still have the chance to see them if you stop by their house on the way to the luncheon to buy something at their garage sale. Go ahead and stop by on your way to the luncheon. You will probably find something that you need. 😊

I need a long 1-3/16" or metric equivalent wrench, in case anyone has one for sale.

The second big item is the **steak feed that Mick and Margaret Lafferty are hosting** on Saturday June 12th. I don't have all of the details on this yet but I believe that it is going to be an afternoon / evening event. Last year most of us brought side dishes and Mick and Margaret provided the steaks. As soon as I have all of the details I will send them out to you. We had a great time there last year with a lot of people in attendance. It is open to all WACO Family and Friends.

Everyone does need to confirm / let us know that you will be attending and how many will be in your party. You can let Mick and Margaret know by phone or text at 316-208-7690 or send her an e-mail at Margaret.lafferty@hotmail.com. You can also reply to this e-mail and I will put you on the list. I am not sure what the cutoff date is but I do know that you need to let someone know ASAP so that the steaks can be ordered.

The Hutch Swap Meet was fun but not very busy. I think that everyone sold something except for me, I gave away more than I sold anyway. 😊 The club did make around \$200.00 with generous donations from some of our members. Thank You for your donations! We did renew our spots for the Fall swap meet, which is usually a well-attended swap meet.

No one has told me where they want to have our June meeting at so I will have to send out another WACO Update when I find out.

For those of you who want to get signed up for your Covid-19 vaccination, here is a link that can get you signed up.

I am sure that I will have more later.

I hope to see all of you soon, like on Friday.
