## **WACO family and Friends**

**The big item of the month, the steak feed, is shown below.** In the meantime I do have a couple of other items to go over.

Kevin Clark 316-644-6049 [ksnclark@cox.net](mailto:ksnclark@cox.net) wants to attend the big car show in Great Bend on June 19<sup>th</sup> and would like to know if anyone would like to cruise with him out there. Please give Kevin a call if you would like to attend that show and cruise with him. He has all of the details on the show.

Doug Stukey 316-832-1028 [boatman\\_55@sbcglobal.net](mailto:boatman_55@sbcglobal.net) would like to know what everyone wants to do for the Lake Afton car show on the 13<sup>th</sup>. Do you want to meet somewhere and cruise out together? Should we all bring out some food and have a pot luck luncheon? What would you like to do? Please let Doug know ASAP so we can put something together.

Some good news, I believe that our next WACO monthly meeting will be held at Mike and Cindy's house. I do not have all of the details, but I will let you know as soon as I know.

An interesting note here. One of our members is going on a little adventure over the next week or so. Let's call him John. He is going to cruise out to Colorado in his little truck and pull a car trailer with him. When he gets there he is going to get a 1971 or 72 C-10 Super Duty truck that hasn't been driven in 4 years or more. He is then going to get the C-10 running and then use it to pull the trailer back with his little pick up on the trailer. What a great adventure that will be. We need to keep him in our thoughts and prayers. Good luck on the adventure.

With Mike Howell's help we3 are going to try and put a Waco shirt order together. As soon as I have more details on what we will have available and the pricing, I will let you know. This will be a great opportunity for everyone to get a new WACO shirt. I am not sure if they are going to be work shirts or t-shirts, or both. We will see.

Gary Osman has not been feeling well lately so we all need to keep him in our thoughts and prayers. He usually attends everything and he has not been able to lately.

Jay has finally been able to hear his new engine fire up. He did not get to hear it for long because the haunted Chevelle's fuel pump did not work properly. It is painted Casper white you know. ☺ I am sure that after getting a new fuel pump it will run great.

I am sure that it won't be long before David Hime sends me more car show information to post below. Until then what you see is what I have.

We had a good time at El Agave Mexican Restaurant during our meeting on Wednesday. I think we had 22 people there. We had some good discussions and some good food. You should have been there.

**Please get your order in now for the steak feed. Steaks have to be ordered.**

**This is the big item of the month, The second annual steak feed that Mick and Margaret Lafferty are hosting** at their home, 6817 S 254<sup>th</sup> Street West Viola KS 67149, on Saturday June 12<sup>th</sup>. I don't have all of the details on this yet but I believe that it is going to be an afternoon / evening event. Last year most of us brought side dishes and Mick and Margaret provided the steaks. As soon as I have all of the details I will send them out to you. We had a great time there last year with a lot of people in attendance. It is open to all WACO Family and Friends.

**Everyone does need to confirm / let us know that you will be attending** and how many will be in your party. You can let Mick and Margaret know by phone or text at 316-208-7690 or send her an e-mail at [Margaret.lafferty@hotmail.com](mailto:Margaret.lafferty@hotmail.com). You can also reply to this e-mail and I will put you on the list. I am not sure what the cutoff date is but I do know that you need to let someone know ASAP so that the steaks can be ordered.

**Hi everyone!** It's good to see the sun shining today, let's hope it is shining on June 12. I guess we don't really have any other details different from last year's cookout, everyone brought delicious side dishes to go with the meat. If anyone wants to drive their classic car we will park them in the pasture area like last year. I'm also assuming we will probably eat around the 6 to 6:30 time frame. I am requesting a headcount by Monday, June 7, so I can tell my butcher the number of steaks we need so he can get them cut and wrapped. You can text, call or email me.

Have a great day and hope to see you all on the 12th.

Margaret

**Please confirm ASAP.**

There will be hamburgers available for those who do not want a steak.

For those of you who want to get signed up for your Covid-19 vaccination, here is a link that can get you signed up.
