## WACO family and Friends

Where do I start.

Please check out the attached word document that Becky provided with all of the minutes from our last meeting. Keep Informed, READ.

Shirt Order. We want to place the shirt order that Mike has put together on Tuesday October 26<sup>th</sup>. This is a **onetime** order so please place your order via e-mail with either Mike Howell [howellm981@gmail.com](mailto:howellm981@gmail.com) or myself [degohring@outlook.com](mailto:degohring@outlook.com) or both of us, we won't get confused. ☺

This order is for the work shirts with 4 colors available, gray, light blue, red and charcoal. Please let one of us know how many you want, the color and the size. Personally I don't think that the art work will show up as good on the charcoal as well as it will on the other colors. Your choice, but please get your order placed now.

Now we need to plan for the swap meet this weekend in Hutchinson. If you would like to help set up on Thursday the 21<sup>st</sup>, then meet at my house, 7550 N Greenwich, at 11:00 am and we will cruise over to Hutch together. If you would rather just meet us there then we will see you there when they open their doors around 12:00. We have spots MB-80,81,82,83. If you have any tables that you can bring, then please do. Swap meet hours are shown below.

When you get there and if you ask someone where our spots are by name instead of number please remember that they may know is by WACO, The Chevelle Club, Wichita Area Chevelle Owners or they might just have my name. Communication in many organizations is not what it should be so please remember to look at things from others perspectives.

The MAD swap meet was not near as good as it has been in the past. There were very few vendors there. Most of the customers were other vendors. We shut down at the end of the meet on Friday and did not go back on Saturday.

The Chill was a fun event but there were not as many spectators there as expected. There were a lot of very very nice motorcycles on display and a lot of good vendors were there. There just weren't enough spectators in attendance. I believe that most of us that were there helping with the event had a good time visiting with everyone.

Plan ahead and pre-register for the HOBO Happening on November 20<sup>th</sup> in Douglass KS. If you attended in the past then you might receive a postcard on the event. Pre-register and save \$5.00. Questions: 316-644-5596, [jjennie9002@sbcglobal.net](mailto:jjennie9002@sbcglobal.net)

Don't forget to attend the Militaria Collectors Show on November 6<sup>th</sup> and 7<sup>th</sup>. Military Guns and Collectables Show, Cessna Activity center 9 – 5:00.

Speaking of the MAD Swap Meet I would like to share a little information that I have after speaking with the owner of MAD, Jim Maybrier.

He mentioned to me that he makes money off of the swap meet by selling vendor spaces and from parking. He said that his employees let most of the WACO members park for free when they said they were with WACO at the gate. He said that this is not how it is supposed to be. Each vendor space comes with two free parking passes and everyone else should have to pay to park their auto.

You can have all the people you can cram in the auto because he charges by the car load. I told him that he did not make that clear on his flier and he agreed.

At the spring MAD swap meet he plans on enforcing this rule. It is basically the same rules that they had at the Pavillions when the swap meet was held there.

This means that at the next MAD swap meet WACO will have only two free parking passes. I believe that set up day is free parking for everyone because you are there to help set up.

We will have to decide who gets the passes. One should go to whomever is pulling the club trailer and the other one should go to someone that helps a lot. We will decide later but please plan ahead and know that the rules have changed.
