WACO family and Friends

This e-mail is just a reminder about the WACO meeting on Wednesday evening at Mike's house.

WACO November Meeting: Our next meeting, Wednesday, November 3rd, 6:30 pm will be held in Mike's garage once again. I don't know what plans we have for the meeting yet but I do know that David Hime will not be able to attend so the meeting will be handled by one of the other officers.

Bring something for "Show N Tell". Something that you think other members would like know or see.

Recap: DQ, Shirt Order, Work Day, Christmas Party, Doug's Corner, Swap Meet, WACO Luncheon, Hobo Happening, Gun Show.

DQ: Did you see Richard Barrett on the news, I did. Margaret sent me the e-mail below to make sure that we know about his 90th birthday. I went by the DQ to wish him a Happy Birthday and give him a birthday card from WACO but he was already closed until November 1st. I think it was. He had a note taped up in the window. I mailed the card to make sure that he receives it. If you all would like to send him a card, Margaret put his address below. We will have to go see Richard when he reopens.

Did you see on the news where they showed the picture of Richard Barrett, our Dairy Queen man, is having his 90th birthday? The news also gave the address out to anybody that wants to send a card. In case you missed it and want to send an email out to the Chevelle gang here is the address...

Richard Barrett, Dairy Queen

Shirt Order: We did place the shirt order that Mike put together on Thursday October 28th. This is a **onetime** order so you should have placed your order if you want one via e-mail with either Mike Howell howellm981@gmail.com or myself degohring@outlook.com or both of us, we won't get confused. ☺

This order was for the work shirts with 4 colors available, gray, light blue, red and charcoal. Please let one of us know how many you want, the color and the size.

Delivery is expected in about two weeks. It would be nice if you attended the next meeting to pay for your shirt. You don't have to but that would be nice.

Work Day: For anyone that would like to help, we are going to build a rest room in Mike's garage after he gets the plumbing taken care of. We are not sure when the plumbing will be done but after it is, we will schedule a work date.

Mike is doing all of this so that we will have good facilities for our WACO Christmas Party.

Christmas Party: I do not have a firm date as to when we will have the Christmas party, but it will probably be on a Saturday, the 2nd (11th) or third (18th) Saturday of the month. I will let you know as soon as I know.

We need to put together a Christmas Party Committee to make all of our plans. We usually have a great time and I am sure that we will again.

Do we want to exchange gifts that are gag gifts or just the usual \$20.00 or less gifts? We are going to have a fire pit at the party, that will be fun. We need to make some plans. Start thinking about it and volunteer for the party committee.

Doug's Corner: I attached a photo of a project that Becky and I finally finished. The logs came from a burn pile and the rest from junk piles.-

Also if you follow "Rust Valley Restorers" from Netflix, I saw on YouTube his 'Field of Dreams' 450 car collection was recently auctioned off. The owner Mike Hall is reported to have kept around 52 cars. The property in British Columbia was also sold off. There might be a final episode coming in January showing parts of the auction and the usual drama. No word on his best friend Avery and what future plans he might have. Doug

SWAP MEET: The Hutch swap meet was a good swap meet. There were a lot of vendors there both inside and out. There were quite a few customers walking around and our Club made \$187.00 not including donations from some of our good members. Thank you for the donations. I did renew our booth spaces for the Spring swap meet.

WACO Luncheon: We will schedule a WACO Luncheon sometime in November after we receive the shirts so some of our members can attend and pick up their shirts. I will let you know when I know. 😊

HOBO HAPPENING: Becky has provided us with a registration form for the Hobo Happening, see attached. Let's make this a club event.

Plan ahead and pre-register for the HOBO Happening on November 20th in Douglass KS. If you attended in the past then you might receive a postcard on the event. Pre-register and save \$5.00. Questions: 316-644-5596, jjennie9002@sbcglobal.net

Don't forget to attend the **Militaria Collectors Show** on November 6th and 7th. Military Guns and Collectables Show, Cessna Activity center 9 – 5:00, Saturday and Sunday.

Speaking of the **MAD Swap Meet** I would like to share a little information that I have after speaking with the owner of MAD, Jim Maybrier.

He mentioned to me that he makes money off of the swap meet by selling vendor spaces and from parking. He said that his employees let most of the WACO members park for free when they

said they were with WACO at the gate. He said that this is not how it is supposed to be. Each vendor space comes with two free parking passes and everyone else should have to pay to park their auto.

You can have all the people you can cram in the auto because he charges by the car load. I told him that he did not make that clear on his flier and he agreed.

At the spring MAD swap meet he plans on enforcing this rule. It is basically the same rules that they had at the Pavillions when the swap meet was held there.

This means that at the next MAD swap meet WACO will have only two free parking passes. I believe that set up day is free parking for everyone because you are there to help set up.

We will have to decide who gets the passes. One should go to whomever is pulling the club trailer and the other one should go to someone that helps a lot. We will decide later but please plan ahead and know that the rules have changed.
