WACO family and Friends;

What a great time we all had at our Christmas party. We had around 65 people show up at this wonderful event. If you missed it you missed out on a very good time.

If you didn't try the strawberry slushies that Dennis provided then you missed out on a real treat.

We all need to thank Mike Howell for hosting the party at his place. Thank You Mike and Cindy!!!

If you have pictures that you took at the party, please send them to me so we can put them on our web site.

WACO monthly meeting for January will be on the 12th to move it away from all of the Holidays by a week. It will be held at Mike's house, 6:30 pm. I hope to see all of you there.

Shirt Order: We have all of the shirts and they are ready to be picked up and paid for. If you can't attend the next meeting on the 12th to pick it up then please give Mike 316-648-7331 a call to make arrangements to pick it up. howellm981@gmail.com Please leave a message if Mike does not answer. Mike has the list on what he has so please give him a call if you need a reminder on what you ordered.

We also have 19 extra shirts that we ordered so if you want more than one or if you forgot to order one we have one for you.

Cruises?:

It is time to start planning some cruises for 2022. Dan has already suggested that we cruise to a real good hamburger joint called Toot's in Howard Kansas. Sounds like a good time to me. If we can find some nice days in the first quarter of the year then maybe we can get an early start cruising.

Karl sent me a link to a new car museum in Hill City that we should put on our cruise destinations. <https://www.ksn.com/community/positive-connections/kansas-car-museum-revving-up-business-for-small-town/>
Road trip?

I would like to encourage everyone to go to our Chevelle website, www.wichitachevelle.com and check out all of the pictures that David Hime and Dale have added to our website. There are a whole lot of good pictures from most of the WACO events that we had in 2021. Please take out a few minutes and go to our web site and look under Photos, WACO events, to see many of the pictures from some of our events. If you have photos from some events that are not shown please get with David Hime to get your photos added to our site. I know that there were more events than we have listed, like the steak feed.

If you think about all of the events that we attended as a club or did as a club in 2021 like; Starting an engine at Gary's, Lake Afton, Engine Swap at Micks, Augusta Motorcycle Museum, Tank Museum and the Hobo Happening and many more, you will see that we can have a good time with WACO.

Cars for Charity. Jan 14, 15, & 16, 2022. If you plan on entering a car, you need to do it by Nov 30th. This show fills up quick in Dec. I will enter mine in the next couple of weeks. Cost is basically the cost of 2 adult tickets to see the show. If you want to enter, be sure to mark the form with our club name Wichita Area Chevelle Owners. David Hime 316-371-7100

Chili Cookoff: We need to talk about the Chili cook off. I think our March time frame like we have used in the past would be the best time to do it. I would like to have it at the Augusta Motorcycle Museum. The cost would be \$75 for the club. I still need to check to see if we can bring alcohol. The other thing is if we have kids there we will need to keep a close eye on them. David Hime 316-371-7100
