WACO family and Friends;

Many items and events listed below, way below.

I thought that we had a fantastic meeting on Wednesday. We had approximately 32 people in attendance. We had some very lively discussions going on around the room about everything in the world that you can think of. Teresa brought everyone cake and cookies that were delicious. I had never had either flavor before. Doug and Becky brought some 7 layer dip and chips that were excellent. We had videos going on the big screen of car shows and shed tipping. That's kind of like cow tipping only different. It was just a good time with all of our friends.

The show and tell items at the meeting were informative and interesting. Some of the items came from our recent trip to Windom Ks. I think we will do that again.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

I went by Richard Barrett's house yesterday, The owner of **Richard's Little DQ**, to see what his plans for the year are. The bad news is that Richard does not plan on opening the DQ this year. He is still trying to sell it but no luck so far. We are going to need to find us another monthly cruise spot.

Richard is a very interesting person. You will have to talk to him about his dozen or so cars and motorcycles and his military service in the Navy on an aircraft carrier.

I did invite Richard to our Chili Cookoff. I think that he plans on attending.

Speaking of the **Chili Cookoff** it is scheduled for Saturday the 19th at Mike and Cindy's place, 11400 E Douglas.

From the responses that I have received, we are going to put our logo on the 2022 Lake Afton T-shirt. I have contacted them to make the arrangements. Do we want to have the **WACO logo on the Lake Afton All Wheels car show T-shirt** this year? It would cost us \$100.00 if we want our logo on their t-shirt. The Lake Afton event is Sunday June 12th so we need to let them know ASAP if we want to do that. It is the 50th Anniversary of the show. Please let me know your thoughts on this ASAP.

Get ready for the **Sunflower Swap Meet** now. It is in March and we do need volunteers to help with this swap meet. **See more below.**

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

Cruises: Becky and Doug are putting together an impressive list of spots to cruise to sometime this year. I think we are going to try and coordinate our cruises with out of town car shows so we have more than one reason to cruise somewhere. It sounds like fun to me. Please send me more suggestions so we can have some nice cruises in our Chevelle's in 2022.

It is time to start planning some **cruises for 2022**. Dan has already suggested that we cruise to a real good hamburger joint called Toot's in Howard Kansas. Sounds like a good time to me. If we can find some nice days in the first quarter of the year then maybe we can get an early start on cruising.

Shirts: I will have all of the shirts with me at our next meeting and other events.

Currently, at this moment we have the following:

In the XXL we have 3 red, 2 Charcoal, 4 Blue and 1 Gray.

In the XL we have 3 Gray.

If you want one of these shirts you should speak up now and get yours reserved. We will probably not be ordering more of these shirts.
