WACO family and Friends;

Many items and events listed below, way below.

Several WACO members have decided to get together at Nu-Way burger, 1416 W. Douglas, for lunch at 1:00 pm on Tuesday March 29th. I have been told that there should be plenty of seating in the back and plenty of parking. Tuesday should be a very nice day even though it should rain in the evening. Come on by and join us for lunch.

If anyone took any pictures at the Chili Cookoff, please e-mail them to me so we can use them on our web site. Any Cookoff pictures will do.

Speaking of the **Chili Cookoff**, it was a lot of fun and you really missed out if you didn't show up. The awards were spectacular, see attached, and all of the food was delicious. Beth and Russell brought hot dogs which really hit the spot. David Hime set up his fire pit so that later in the evening we could all sit around the fire and tell our lies, I mean stories. ☺

Doug sent me a couple of links to items that I think all of you will find interesting.

Why gas engines are far from dead. This is a good fourteen minute video for you guys from the thinking tech group. https://www.youtube.com/watch?v=Hatav_Rdnno Enjoy Doug
Here is a thirty seven minute video for you to salivate over. SWAP MEETS

Purple Martins: It is time to clean out your Purple Martin bird houses and have them ready for new tenants.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

Cruises: Becky and Doug are putting together an impressive list of spots to cruise to sometime this year. I think we are going to try and coordinate our cruises with out of town car shows so we have more than one reason to cruise somewhere. It sounds like fun to me. Please send me more suggestions so we can have some nice cruises in our Chevelle's in 2022.

It is time to start planning some **cruises for 2022**. Dan has already suggested that we cruise to a real good hamburger joint called Toot's in Howard Kansas. Sounds like a good time to me. If we can find some nice days in the first quarter of the year then maybe we can get an early start on cruising.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

Shirts: I will have all of the shirts with me at our next meeting and other events. David G. 316-706-0973, degohring@outlook.com

Micks next door neighbor has a 1967 327 For Sale. It is complete from the carb to the oil pan, you can hear it run, it has the double hump heads on it and a mild cam in it. If you are interested, please give Mick a call 316-350-0068.

Mick said he is looking for some 1968 big block heads for a 396 to put on his motor.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or steigerw@mdvl.net
