

04/12/22

WACO family and Friends;

During our meeting we discussed the MAD swap meet that starts with a set up date of Thursday 04/21/22 and show dates of the 22nd and 23rd.

I need members to e-mail me with the times that they will be at MAD to help. I can pull the club trailer down to MAD on Thursday, help on Friday, but I will not be there on Saturday to pull it back. We need a volunteer to pull the trailer back to Wichita. The trailer can be dropped off at my home on Saturday after the meet or I can pick it up at your place on Sunday or Monday whichever is good for you. Please send me an e-mail to degohring@outlook.com on your plans for the meet whether it is for helping or towing so we will know who to expect.

At the last meeting we also discussed getting started on doing some cruises. We decided to start on the third Saturday of May since April already seemed full of things to do.

Unfortunately that date will not work because it is the same weekend as the swap meet in Hutchinson. We have booth space in Hutch so many of our members will be there to help and to buy stuff.

Please look over the attached list of cruise spots and be prepared to talk about them at the meeting.

Becky has put this list together for us. Here are her comments.

Attached is the cruise ideas that I have worked up so far. There are more to go but this is all that I had time to complete at this time. Lots of ideas for the club to peruse. Some are just places to see, others are places to tour and some are places to go and eat at. Some of them could be combined together and make a longer cruise. Since Doug & I can't attend the meeting this month you are welcome to discuss where and when the club would like to do whatever they want for the month of April. Good Luck. I will keep adding to the ideas as I have time to.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

The Mid America Chevelle club has put fliers in the mail to WACO for the 2022 Midwest Chevelle Regionals. Please plan on attending our monthly meeting and you can receive one of the fliers if you are planning to go to the Regionals.

We usually send seed money for the Regionals based on how many paid members that we have. So if you have not paid your dues yet please get them paid so we will have a good count on membership and then we can send the correct donation to the MCR.

As you know several WACO members decided to meet for lunch at Nu-Way Burger on Tuesday. We had a good time and it just so happened to be on the same day that the Wichita Eagle was there interviewing the waitress that has worked there for 45 years.

If you will follow the link that Doug has provided us, you can see the interview online and you will get to see all of the good looking WACO members that were there included in the interview. Longest-tenured waitress at Wichita's longest-tenured restaurant retiring after 45 years.

You missed out if you weren't there.

If anyone took any pictures at the Chili Cookoff, please e-mail them to me so we can use them on our web site. Any Cookoff pictures will do.

From the responses that I have received, we are going to put our logo on the 2022 Lake Afton T-shirt. The Lake Afton event is Sunday June 12th. It is the 50th Anniversary of the show

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

Shirts: I will have all of the shirts with me at our next meeting and other events. David G. 316-706-0973, degohring@outlook.com

Do Not Forget to pay your yearly WACO Dues.
