## **WACO family and Friends;**

Mick sent me some information on a very interesting car show in Tulsa. Please follow this link to find out all of the information on the AAA Route 66 cruise and show. June 25<sup>th</sup> & 26<sup>th</sup> at the Tulsa fairgrounds. [https://route66roadfest.com/car-show/?](https://route66roadfest.com/car-show/)

During our last meeting we discussed the MAD swap meet that starts with a set up date of Thursday 04/21/22 and show dates of the 22<sup>nd</sup> and 23<sup>rd</sup>.

I need members to e-mail me with the times that they will be at MAD to help. I can pull the club trailer down to MAD on Thursday, help on Friday, but I will not be there on Saturday to pull it back. We need a volunteer to pull the trailer back to Wichita. The trailer can be dropped off at my home on Saturday after the meet or I can pick it up at you place on Sunday or Monday whichever is good for you. Please send me an e-mail to [degohring@outlook.com](mailto:degohring@outlook.com) on your plans for the meet whether it is for helping or towing so we will know who to expect.

At the last meeting we also discussed getting started on doing some cruises. We decided to start on the third Saturday of May since April already seemed full of things to do.

Unfortunately that date will not work because it is the same weekend as the swap meet in Hutchinson. We have booth space in Hutch so many of our members will be there to help and to buy stuff.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

The Mid America Chevelle club has put fliers in the mail to WACO for the 2022 Midwest Chevelle Regionals. Please plan on attending our monthly meeting and you can receive one of the fliers if you are planning to go to the Regionals.

We usually send seed money for the Regionals based on how many paid members that we have. So if you have not paid your dues yet please get them paid so we will have a good count on membership and then we can send the correct donation to the MCR.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

**Shirts:** I will have all of the shirts with me at our next meeting and other events. David G. 316-706-0973, [degohring@outlook.com](mailto:degohring@outlook.com)
