WACO family and Friends;

I would like to thank everyone that responded to my request on repairing / rebuilding Muncie 4 speed transmissions. I will ask Dale to put the information on our web site.

I have two 4 speeds that I would like to have rebuilt and a guy that my wife works with has a 1970 Chevelle that he needs his Muncie fixed.

Doug came up with an interesting car, if anyone is interested.

David I had a neighbor come by yesterday with a 1965 Tempest 4 door. The car has original light turquoise paint, its straight no damage.

Appears to always garaged. He was telling me the 326 has been rebuilt car is showing 96000 original miles. He is asking \$6500 and is negotiable. I told him I would let our club know about it. The car appeared to be in very good condition. Doug 316-832-1028

The first person to volunteer their "Man Cave / Shop" to hold our May meeting at was Jack Blackwill. We did have other volunteers and suggestions of places but since Jack was first with his Man Cave, I think that we should have it at his place.

So, our next meeting will be on May 4th at 6:30 pm at Jack's place, 6445 Interurban, Wichita KS 67204. I hope to see you there.

Do not forget about the Hutchinson Swap Meet now in May. See below.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

The Mid America Chevelle club has put fliers in the mail to WACO for the 2022 Midwest Chevelle Regionals. Please plan on attending our monthly meeting and you can receive one of the fliers if you are planning to go to the Regionals.

We usually send seed money for the Regionals based on how many paid members that we have. So if you have not paid your dues yet please get them paid so we will have a good count on membership and then we can send the correct donation to the MCR.

I have been receiving notes / reminders on upcoming car shows from members like what is below. This is great. If they come to me via text, I can't get them off of my flip phone. Please keep sending your suggestions and I will get them added to my list, when I have a minute, if they are not already there.

Remember the Newton car show May 7th

It's the cruise at Newton, 6 May. Apparently it includes some food bank benefit...

At the last meeting we also discussed getting started on doing some cruises. We decided to start in May since April already seemed full of things to do.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

Do Not Forget to pay your yearly WACO Dues.
