## **WACO family and Friends;**

The cruise that we had on Saturday to Toot's was a lot of fun. I thought that the burgers were great and the company was excellent.

We had 8 cars in our caravan with 12 people attending. We also had a couple of members join us at Spangles including a new member, even though they were not able to cruise with us.

It was fun driving there and going to the old hamburger joint. It turned out that Hubbell's Rubble was right next door so several of us just walked over and took a look at the statues and stuff.

Since we took the main highways to get there we decided to take other roads through the countryside to get home. It was great driving through the countryside and seeing the sights. It would have been nice to make a couple more stops along the way, but we didn't.

We kind of ended our cruising together in Rose Hill at Phil Brinkley's place where all of the interesting statues are. Phil said that we can cruise there as a club sometime if we want to.

I did get a great picture of David Hime driving his old car. See attached.

We all need to welcome our newest member Stu & Denise Demuth who have several old cars including a 1965 El Camino that they are working on.

Do not forget about the **Hutchinson Swap Meet**. We have booth space for all members. Dig out your stuff and bring it on out. See below for more info. On Thursday, those who want to can meet at my house, 7550 N Greenwich, at 11:00 am to cruise over to Hutch and be there around 12:00 when they open their doors for set up.

If you do meet at my house maybe we can consolidate rides and save some gas.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

The Mid America Chevelle club has put fliers in the mail to WACO for the 2022 Midwest Chevelle Regionals. Please plan on attending our monthly meeting and you can receive one of the fliers if you are planning to go to the Regionals.

We usually send seed money for the Regionals based on how many paid members that we have. So if you have not paid your dues yet please get them paid so we will have a good count on membership and then we can send the correct donation to the MCR.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

Micks next door neighbor has a 1967 327 For Sale. It is complete from the carb to the oil pan, you can hear it run, it has the double hump heads on it and a mild cam in it. If you are interested, please give Mick a call 316-350-0068.

Mick said he is looking for some 1968 big block heads for a 396 to put on his motor.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or [steigerw@mdvl.net](mailto:steigerw@mdvl.net)

Doug came up with an interesting car, if anyone is interested.

David I had a neighbor come by yesterday with a 1965 Tempest 4 door. The car has original light turquoise paint, its straight no damage.

Appears to always garaged. He was telling me the 326 has been rebuilt car is showing 96000 original miles. He is asking \$6500 and is negotiable. I told him I would let our club know about it. The car appeared to be in very good condition. Doug 316-832-1028
