## **WACO family and Friends;**

**Hutchinson Swap Meet.** We had a good time at the Hutch swap meet as usual. It seems like the spring swap meet is always slower than the fall swap meet but we still had relatively good sales for our members. The club made enough money to pay for the booth spaces again plus some extra.

I would also like to thank all of the members that helped and donated parts during the 3 days of the swap meet. We could not have done it without you. Thank You, Thank You, Thank You.

**WACO Luncheon:** We have decided to have a WACO Luncheon before we start this Memorial Day weekend. We are going to meet at Margarita's (Hillside & Douglas) on Thursday, 05/26/22 at 1:00 pm. Their food is always good and the company even better. I hope to see all of you there.

**Next WACO Meeting:** Our next meeting will be on Wednesday, 06/01/22, 6:30 pm at Mike Howell's shop, 11400 E Douglas. I will see you there.

We have a new member to WACO. We all need to welcome Ron Ensz with his 1964 Chevelle SS. He lives in Hutchinson and will hopefully get to join us in some of our activities. He has attended at least two of our Midwest Chevelle Regionals in the past that were held in Wichita.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

Last week I mailed a check to KC to cover our seed money. I also paid my registration for the show. If you plan on attending you should get your registration paid ASAP because that really helps the hosting club pay expenses.

The Mid America Chevelle club has put fliers in the mail to WACO for the 2022 Midwest Chevelle Regionals. Please plan on attending our monthly meeting and you can receive one of the fliers if you are planning to go to the Regionals.

We usually send seed money for the Regionals based on how many paid members that we have. So if you have not paid your dues yet please get them paid so we will have a good count on membership and then we can send the correct donation to the MCR.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

## **Do Not Forget to pay your yearly WACO Dues.**

Micks next door neighbor has a 1967 327 For Sale. It is complete from the carb to the oil pan, you can hear it run, it has the double hump heads on it and a mild cam in it. If you are interested, please give Mick a call 316-350-0068.

Mick said he is looking for some 1968 big block heads for a 396 to put on his motor.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or [steigerw@mdvl.net](mailto:steigerw@mdvl.net)

Doug came up with an interesting car, if anyone is interested.

David I had a neighbor come by yesterday with a 1965 Tempest 4 door. The car has original light turquoise paint, its straight no damage.

Appears to always garaged. He was telling me the 326 has been rebuilt car is showing 96000 original miles. He is asking \$6500 and is negotiable. I told him I would let our club know about it. The car appeared to be in very good condition. Doug 316-832-1028
