

06/09/22

WACO family and Friends;

We usually attend the Lake Afton show as a club and set up together when we get there. The Lake Afton show is on Sunday June 12th this year. Please let me know what you would like to do about going out there together.

I know that several of our members plan on going out to Lake Afton on Sunday but we haven't put any cruise together plans. It just sounds like we all plan on meeting out there sometime between 10 and 11:00 am and set up together as usual.

Our normal spot is in the big South lot, about 4 or 5 rows in from the main road on the East side and about a fourth of the way across the big lot heading South.

It may be kind of wet out in the field but this is a rain or shine event so people will be there. They will be there selling their shirts which should have our WACO logo on them. If you want to support the show then you should buy a shirt.

Dan said that he is going to go and check out the field on Friday or Saturday to see if there is something real bad going on out there. If there is he will let us know so we can plan ahead.

See you there.

Just to let you all know, Mary Bonine, my wife's Mother passed away on Monday. Many of you knew her and Phil from Christmas Parties and the Chili Cook off we try to do yearly.

Phil would like to keep the viewing and funeral fairly small for family members and close relatives. The funeral home, Heritage in Andover, is a fairly small facility, which is good.

If anyone would like to view the memorial for Mary, please follow this link or go to the Heritage web site.

I have heard that Richard's Little Dairy Queen is OPEN for the summer after all. We need to check it out to confirm this.

I would like to ask WACO members to please let me know which car shows or other events that you are going to on any given weekend so that I can let other members know in case they want to join you.

I think it is great when members send out e-mails to other members to let them know what fun shows they see coming up. Please continue this.

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

We have quite a list of cruises that we are planning, so get your autos prepared for some fun cruises.

We need a small fuel cell for the WACO engine start cart. If you have one that you would like to donate or sell cheap, please let me know.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

March is usually the month when most of our members pay their **dues** so we know how much we have to spend during the year. I would like to thank those of you who have paid their dues already. About a third of our members have paid already.

Do Not Forget to pay your yearly WACO Dues.

WACO Events:

WACO Monthly Meeting –

WACO Luncheon –

CAR SHOWS: follow one of the following links.

El Dorado Friday Night Cruises – Central between Haverhill & Vine, Friday March 4th, Friday April 1st, Friday May 6th,

Draggin Douglas –

Needed or For Sale items:

JR has a few parts for sale if anyone is interested. I have few items I'm selling, 1969 Chevelle OEM front bumper with brackets... Fair condition...Will need be refurbished for show quality... \$100...316-204-9910 call or text... Thanks JR

Micks next door neighbor has a 1967 327 For Sale. It is complete from the carb to the oil pan, you can hear it run, it has the double hump heads on it and a mild cam in it. If you are interested, please give Mick a call 316-350-0068.

Mick said he is looking for some 1968 big block heads for a 396 to put on his motor.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or steigerw@mdvl.net

Doug came up with an interesting car, if anyone is interested.

David I had a neighbor come by yesterday with a 1965 Tempest 4 door. The car has original light turquoise paint, its straight no damage.

Appears to always garaged. He was telling me the 326 has been rebuilt car is showing 96000 original miles. He is asking \$6500 and is negotiable. I told him I would let our club know about it. The car appeared to be in very good condition. Doug 316-832-1028
