## **WACO family and Friends;**

As usual Becky did a great job putting together the minutes from our last meeting. Please take a minute to read them to keep up on your club WACO. See attached file.

The Lake Afton show was a good one again this year. We had a quite a few members in attendance. It was a hot day but it was still a fun time. There were a lot of different types of cars there like usual. Follow the attached link and you can see pictures of many of the cars that were in attendance including some of our members cars.

Pictures from the 2022 All Wheels Car Show.

[2022 All Wheels Car Show](#)

I would like to thank Brad again for buying me a 1964 Chevelle while at Lake Afton this year. I missed it and he found it for me.

We are planning a **cruise to Richard's Little Dairy Queen for this Saturday** evening (06/18/22) around 7:00 pm. Yes, he decided to open up again this summer. Richard called me and invited our club to come by again like we have done in the past. All members and friends and family will receive a free treat of their choice. Make sure that you attend.

We are hoping that it will cool off a little by that time in the evening. If you would like to bring one of those pop up tent things for a little more shade then please bring it.

Looking forward to a good time again at the DQ.

I would like to ask WACO members to please let me know which car shows or other events that you are going to on any given weekend so that I can let other members know in case they want to join you.

I think it is great when members send out e-mails to other members to let them know what fun shows they see coming up. Please continue this.

Here is what Kevin Clark is up to this year so far.

Just letting you know that I'm sending in my registration for the Midwest regional car show. I will spend Friday night across the street at a hotel. Then drive home Saturday after the show. I would also like to attend the Council Grove car show on June 18th. I've already made lodging reservations for the Colorado Good Guys car show in September. I also plan on attending the Lake Afton show. I would like to work in a short trip down route 66 yet this summer. The Howard car cruise was enjoyable. Nice to see the cars going down the highway together. Thank you for everything you do for the club. Kevin Clark

James Oliphant sent me this link to an interesting car show at a small airport out in West Wichita. See attached. This looks to be interesting. At Dead Cow International. James

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

We have quite a list of cruises that we are planning, so get your autos prepared for some fun cruises.

We need a small fuel cell for the WACO engine start cart. If you have one that you would like to donate or sell cheap, please let me know.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

## **Do Not Forget to pay your yearly WACO Dues.**

### **WACO Events:**

**WACO Monthly Meeting –**

**WACO Luncheon –**

**CAR SHOWS:** follow one of the following links.

<https://www.audacy.com/keyn/events>

#### **CRUISES:**

El Dorado Friday Night Cruises – Central between Haverhill & Vine, Friday March 4<sup>th</sup>, Friday April 1<sup>st</sup>, Friday May 6<sup>th</sup>,

Draggin Douglas –

### **Needed or For Sale items:**

JR has a few parts for sale if anyone is interested. I have few items I'm selling, 1969 Chevelle OEM front bumper with brackets... Fair condition...Will need be refurbished for show quality... \$100...316-204-9910 call or text... Thanks JR

Micks next door neighbor has a 1967 327 For Sale. It is complete from the carb to the oil pan, you can hear it run, it has the double hump heads on it and a mild cam in it. If you are interested, please give Mick a call 316-350-0068.

Mick said he is looking for some 1968 big block heads for a 396 to put on his motor.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or [steigerw@mdvl.net](mailto:steigerw@mdvl.net)

Doug came up with an interesting car, if anyone is interested.

David I had a neighbor come by yesterday with a 1965 Tempest 4 door. The car has original light turquoise paint, its straight no damage.

Appears to always garaged. He was telling me the 326 has been rebuilt car is showing 96000 original miles. He is asking \$6500 and is negotiable. I told him I would let our club know about it. The car appeared to be in very good condition. Doug 316-832-1028
