## **WACO family and Friends;**

We have scheduled a luncheon on Thursday 08/25/22 at the Town and Country restaurant on West K-42 and Maize road I believe it is at 1:00 pm our usual time.

Good afternoon,

We have decided to sell our tow dolly and try to find a different type of trailer that would be more useful to us and keep me from having to get under the car to remove and install the driveshaft each time. We purchased it last fall in Kansas City, towed it home and has never had a car on it. I blocked it up and stored the wheels in the garage to keep them out of the weather.

It is titled as a 2022 Shehl tow dolly model ST80TD SURGE

It has surge brakes NOT electric

I have all of the paperwork and instructions for it.

Asking \$2300.00 OBO

Thanks Matt

One of our members, Roger Wiggett, sent me a couple of car show fliers on events that he thought would be good to attend.

Reflection Ridge Car Show, Saturday 9/17/22, 3110 N Ridge Road.

**MCR 2022:** Karl pointed out to me the other day that we need to work on our cruise plans to attend the **Regionals** in KC this year. Think about what you want to do. My plans so far are to cruise up on Friday morning and probably return Saturday evening. What do you want to do?

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

**Wanted:** A friend of WACO, Scott Gimple 316-371-3658, needs our help in finding an original rear seat belt for his 1972 convertible. I am attaching a picture of the one that he has, he needs another one to match. They seem to be a small belt and buckle. Please give Scott a call or text if you think that you can help him out.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1” rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle’s from 64 through 72. I think the original one was 7/8” but I am not positive on that. Steve 814-573-2215 or [steigerw@mdvl.net](mailto:steigerw@mdvl.net)
