WACO family and Friends;

What a great luncheon / get together we had on Thursday at the Town and Country Restaurant. We had at least 20 people show up to enjoy the food and each other's company.

We had a couple of fairly new members show up at the luncheon. Roger Wiggett, who's been in the club for a while and Larry Adams, who joined WACO while at the luncheon. Larry was driving the white 1968 El Camino that we all had the chance to admire out in the parking lot.

Roger is giving us the opportunity to write an article that will be published in the Reflection Ridge magazine called "STROLL". It looks like a very nice magazine and it will give us a chance to high lite our club and get some local exposure. I think we can have the article about the history of WACO and have a few pictures of our Chevilles printed. The article should come out in the December issue. Your thoughts?

At Mick and Margaret's suggestion after the luncheon we then cruised over to **ICT Billet** to check out all of the engine accessories that they make here in Wichita. What a good selection of parts made right here in Wichita and shipped all over the country. Summit sells a lot of their parts. David Hime even bought some parts while we were there.

David Hime and I have been keeping an eye on **Richard's Little DQ** and so far it has not reopened for business. They have repaved the parking lot but are not back open for business yet. If we don't get to do one more evening with Richard maybe we can do one with the new owners when they open.

MCR 2022: We need to work on our cruise plans to attend the **Regionals** in KC this year. Think about what you want to do. My plans so far are to cruise up on Friday morning and probably return Saturday evening. What do you want to do? We will talk about this at the next meeting.

One of our members, Roger Wiggett, sent me a couple of car show fliers on events that he thought would be good to attend.

Rally at The Regent, Friday Sept 16, 5-8:00 pm, 2050 N Webb.

Reflection Ridge Car Show, Saturday 9/17/22, 3110 N Ridge Road.

[Alva Show is just around the corner, September 16, 17 & 18, 2022](#) Yea!!!

If you have never been and want to look it up and get registered go to google " Alva big cruise and car show "

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

Do Not Forget to pay your yearly WACO Dues.

Needed or For Sale items:

Good afternoon,

We have decided to sell our tow dolly and try to find a different type of trailer that would be more useful to us and keep me from having to get under the car to remove and install the driveshaft each time. We purchased it last fall in Kansas City, towed it home and has never had a car on it. I blocked it up and stored the wheels in the garage to keep them out of the weather.

It is titled as a 2022 Shehl tow dolly model ST80TD SURGE

It has surge brakes NOT electric

I have all of the paperwork and instructions for it.

Asking \$2300.00 OBO

Thanks Matt

Wanted: A friend of WACO, Scott Gimple 316-371-3658, needs our help in finding an original rear seat belt for his 1972 convertible. I am attaching a picture of the one that he has, he needs another one to match. They seem to be a small belt and buckle. Please give Scott a call or text if you think that you can help him out.

Steve Steigerwald is looking for a couple of items. He needs / wants, a 1" rear sway bar for his 1965 Chevelle wagon. I think they fit all of the Chevelle's from 64 through 72. I think the original one was 7/8" but I am not positive on that. Steve 814-573-2215 or steigerw@mdvl.net
