WACO family and Friends;

MCR 2022: WACO had 11 members and family attending the Midwest Chevelle Regionals in KC this year.

The members that attended are Kevin Clark, Bob Cox, David & Sandy Gohring, Jay & Babs Guengerich, David & Connie Hime, David & Lisa Jamis, Karl & Nancy Koenig, Mick & Margaret Lafferty, Dale McIntosh, Frank & Belinda Robertson and Roger Sutton. Sorry if I missed anyone. Frank & Belinda left their Oklahoma home at 4:30 am to get to the show. That is dedication to wanting to see friends and some nice cars. Dale also made that long drive from Lawton, Oklahoma to KC.

There were 142 cars at the Regionals this year. 39 plus cars went on the Friday night cruise which ended up at a lake where we were fed BBQ from a famous local KC BBQ joint. I can't remember who they were but I am sure that they were one of the famous ones. J

I forgot to count but there were between 10 and 12 entries in the 1,000 point judging, which all received trophies. All of the other cars were in the participant judging class. I think Roger Sutton received 3 trophies, such a nice car.

They (KC) did their participant judging with an on line app to make tallying everything up easier. Of course you know that I didn't use the app because I only have a stupid phone not a smart one like everyone else. J They gave some of us an old fashioned paper form to fill out.

They used the car show app from carshowpro.com on several other things related to the show also. They said that everyone is doing that these days.

There was really **nothing decided about the 2023 Regionals** as to where it will be held and when. The involved clubs have decided to talk again in November to see if anyone has come up with a location and time. We may have decided on a time, June, but I don't think that was put in stone.

The **WACO monthly meeting** will be held on Wednesday October 5th, 2022 6:30 pm, Mike Howell's shop 11400 E Douglas, pot luck finger food snack night, I'm not sure what that means but bring something to share if you want to. It should be a good evening to shoot the bull and have some important discussions.

We have another new WACO member, Chester & Julie Bailey, 316-737-8911, 1966 300 Deluxe & 1969 BBC El Camino. Welcome to WACO.

It is almost time for the fall **Hutchinson Swap Meet**, Set up will be on Thursday Oct 20th 12:00 noon until 9 pm. Swap Meet Friday Oct 21st 7:00 am until 6:00 pm and Saturday Oct 22nd 7:00 am until 5:00 pm. Vender gates open at 6:00 am on Fri & Sat. We have booth spaces MB-80, 81, 82, & 83 the same as usual. Get your stuff ready to go, we have plenty of room for all of your stuff. That's all that I know for now.

DQ Cruise Night: ???

David Hime stopped by and had the opportunity to talk to the new owners of "**Richards Little Dairy Queen**" and try to set up a **cruise in night**. David worked out the same deal with them as what we had with Richard. So please make sure that you show up when we get a date established so that we can show the new owners that we are there to support them.

Don't forget to **bring your show and tell item** to the next meeting. It does not have to be a car related item it just needs to be educational or an interesting item.

I am sure that all of our members know of at least one interesting thing that they can show other members and / or teach members about. Think about things that you can share and then do it.

Below under CAR Shows I have put two links that will show you most of the shows that are going on this year. We are heading into a very busy season.

Do Not Forget to pay your yearly WACO Dues.

Needed or For Sale items:

Good afternoon,

We have decided to sell our tow dolly and try to find a different type of trailer that would be more useful to us and keep me from having to get under the car to remove and install the driveshaft each time. We purchased it last fall in Kansas City, towed it home and has never had a car on it. I blocked it up and stored the wheels in the garage to keep them out of the weather.

It is titled as a 2022 Shehl tow dolly model ST80TD SURGE

It has surge brakes NOT electric

I have all of the paperwork and instructions for it.

Asking \$2300.00 OBO

Thanks Matt
