

01/30/23

WACO family and Friends;

Our next **WACO meeting** will be held on Wednesday 02/01/23, 6:00 pm at Mike & Cindy's place, 11400 E Douglas. **Bring a chair.**

Jack Blackwill said he is still looking for a nice trunk lid and nice driver side door for a 70 Chevelle. He may go to Oklahoma City for their swap meet next week. 316-650-2403

I have not received much feedback about the **Cars For Charity Show** on January 13th, 14th and 15th of 2023. <https://carsforcharitiesshow.com/>

What little I have heard is that there were not as many cars in attendance as in the past. I was also told that the cars that were there were some very nice cars.

I understand that about 12 members attended the luncheon at **B & C BBQ** on that Friday and that everyone had some good food and great conversation before attending the show.

Do not forget to bring your show and tell item for the meeting.

We plan on doing our annual **Chili Cookoff** again this year. Come to the next meeting and help us pick a date and time.

We all need to think about, what can we do to raise some money for WACO and maybe a local charity.

We also need to pick a time and place for our next WACO Luncheon.

We have some **Swap Meets** coming up real soon that we all need to plan ahead for. We all have crap in our garages, attics and back yards that we need to get rid of. Get it all together and bring it to one of the swap meets that your club WACO has already rented booth space for you.

Oklahoma City February 3 – 4 2023 (We do not have spots at this one), Century II March 10 – 11 2023, Hutchinson May 19 – 20 2023, Hutchinson October 27 – 28 2023,

Everyone needs to congratulate Steve Castaneda, he has finally picked a retirement date of March 3rd. He worked for Boeing for 22 years and then another 16 years as a pharmacy tech or something 😊. He will now be able to join WACO at more of our events.

It is now 2023 and time to renew your WACO dues.

There has been a date and time picked for the **2023 Midwest Chevelle Regionals**. The Queen City Chevelle club out of Springfield Mo. Volunteered to host the event.

Springfield can host the show **June 30 and July 1, 2023** at the Oasis Hotel and Convention Center.

Open the attachment to see a flier for the 2023 Midwest Chevelle Regional car show.

We now all have plenty of time to plan on attending this event in Springfield. If you can, you really should put this on your calendar for next year.

WACO has some very nice WACO Work Shirts for sale. Check them out at the next meeting if you don't already have one. 😊.

Do Not Forget to pay your yearly WACO Dues.

If you are looking for a running big block 396 from a 68/69 Chevelle or Camaro call Kent Kincheloe 1-530-260-6769. Right now it is in a 1980 Chevy 4x4 so you can hear it run. He lives in Moline KS. It comes with the carb, intake, headers, most of the stuff to have it run. The headers are 1-1/2 years old, the 600 cfm carb about a year old. It has had a recent valve job done on it. He is going to pull it out of the truck to put in a diesel.

Below is a request from one of our members about doing some wiring on his auto. If you can help him out or you know someone or a shop who can help him please let him know.
