### **WACO family and Friends;**

We had a good time on our Saturday cruise to Clearwater. We started with taking pictures at the Train Station, went to the old Vickers station in Haysville, stopped at the NSRA show on 103<sup>rd</sup> street and ended up at Ron's place sometime between noon and 1:00 pm. We did get some pretty good pictures at each location which we will share on our web site. Attached are a couple of interesting and good pictures. You should have been there.

Our next meeting will be on Wednesday 04/05/23 at Mike's shop, 11400 E Douglas at 6:00 pm.

Do not forget to bring a chair and your show and tell item.

According to very reliable sources the Friday night meet at Central and West street is back on.

One of our members, Bill Washburn, is involved with his church and would like to invite all of us to attend a **car show** at his church.

Our church (Riverlawn Christian) located just North of K96 on Meridian is doing their first car show **April 22 from 9 AM to 1 PM**. I've attached the graphic and included email excerpt with information. If appropriate I'd appreciate sharing with the members.

We've got some really nice "Yeti Style" Cups (32oz) that we will be giving to everyone who registers. We will also have some plastic party type cups with the logo on there to give to everyone. The T-Shirts are coming along, and we will have them too. As we mentioned we will have hotdogs, chips, and a drink available for every registration, and they will be available to purchase really cheap. As an added bonus, we've added coffee and donuts (free) at the Coffee Bar that morning. The idea is to get people to come into the building and look around a little. Both men's and women's bathrooms will be open too. Thanks, Bill Washburn

Gene League, one of our members is involved with the Wichita Militaria Collectors club and he wants to make sure that we know about the "Military Guns and Collectables Show" that is going on **April 15<sup>th</sup> & 16<sup>th</sup>** at the Cessna Activity Center from 9-5:00 Saturday and 9-3:00 on Sunday.

It would be great to have a luncheon on the West end (or North or South) sometime if someone would make a good suggestion. Maybe pick a place that we haven't been to before like I did this time. Variety is the spice of life. ☺

I have received a few suggestions on this but we can always use a few more.

Also, please send me information to put in the "WACO Update". As you can tell most of this stuff I make up myself except for the minutes which are always good for more information. Even jokes from Doug are acceptable. ☺

**Do not forget to bring your show and tell item for the meeting.**

**It is time to send in your registration for MCR 2023.**

There has been a date and time picked for the **2023 Midwest Chevelle Regionals**. The Queen City Chevelle club out of Springfield Mo. Volunteered to host the event.

Springfield can host the show **June 30 and July 1, 2023** at the Oasis Hotel and Convention Center.

We now all have plenty of time to plan on attending this event in Springfield. If you can, you really should put this on your calendar for next year.

WACO has some very nice WACO Work Shirts for sale. Check them out at the next meeting if you don't already have one. 😊.

**It is now 2023 and time to renew your WACO dues at only \$30.00 per year.**

**WACO Events:**

**WACO Monthly Meeting** – Our next meeting will be on Wednesday 04/05/23 at Mike's shop, 11400 E Douglas at 6:00 pm.

#### ANNOUNCEMENT!

For the 2023 season, Cars & Coffee will be moving to Wichita State University @ Braeburn Square! We'd like to thank everyone involved at WSU for giving us a home to continue to put this show on for another year. They are super excited to have us and plan to have some of their businesses open to us for food and restrooms as well. We will be using the lots at the corner of 21st and Oliver where Social Tap & Fuzzys are along with some adjacent lots as well. We will have a map up shortly as well as a list of businesses that will be open during this time. Please support these businesses and have some breakfast or an early lunch after you leave! They're the reason we were able to come here as they lobbied hard for our event. We are excited to give you more info as it comes available! Also keep an eye out for another possible announcement featuring a west side venue for a few pop-up or night events this year 🤔

I also want to give a HUGE thank you to Frank DeSocio for all he did for us at the Alley. He gave us an amazing home for years and I can't thank him enough. Unfortunately the sale to Bowlero brought in a corporate mindset and we found a new location who is much more welcome to what we do and how we do it so please show WSU and these businesses some love for working hard to allow us to put on our event for 2023. LOTS more to come but for now we have our season and let's crush it 🙌
