

04/20/23

WACO family and Friends;

There were 6 of us that showed up at Applebee's to have lunch and support the Honor Flight program. I think we all had some good food and a good time sharing what is going on in our lives. Karl and Nancy were celebrating that Nancy is cancer free and that they are planning a big trip this year. Doug is trying to plan ahead for a big new exciting project. Kevin was really enjoying his El Camino with the new power windows and door locks. You should have been there, it was a good time.

Did you hear that Russell Webber wrecked his truck? He is OK but the truck is hurting real bad.

Mike Howell is installing an exhaust fan in his shop and on the verge of painting his hot rod. It is going to look great when he is done.

Some of our members have shared with me which car shows that they will be attending this weekend. The ones that have been mentioned so far are, the show in Inman and the Riverlawn Christian Church show, (see below). There are a lot of good shows going on so it is hard to pick which one to go to.

We have a swap meet coming up in May that you all better get ready for. (see below)

David H. shared the upcoming car shows:

April 22- Cook Field in Derby

Inman from 8-3

North High School from 10-3

Riverlawn Christian Church from 9-1

Ks. Star Casino (I think this is hosted by the Mulvane Marauders)

April 23- Peabody Cruise

April 29- Oxford from 10-3 This is a free show with prizes that is held in the park.

Benton Downtown car show from 9-4

If you need more information on these cruises please check the WACO web-site or KEYN web-site.

If anyone would like to step up and volunteer to take over as President of WACO, please let me know.

There is going to be a car show in Oxford KS on April 29th that looks like a good show to attend. It is a FREE show, from 10:00 am until 3:00 pm. They will have awards and door prizes. It sounds like a good place to cruise to.

According to very reliable sources the Friday night meet at Central and West street is back on.

It would be great to have a luncheon on the West end (or North or South) sometime if someone would make a good suggestion. Maybe pick a place that we haven't been to before like I did this time. Variety is the spice of life. J

I have received a few suggestions on this but we can always use a few more.

Also, please send me information to put in the "WACO Update". As you can tell most of this stuff I make up myself except for the minutes which are always good for more information. Even jokes from Doug are acceptable. J

Do not forget to bring your show and tell item for the meeting.

It is time to send in your registration for MCR 2023.

There has been a date and time picked for the **2023 Midwest Chevelle Regionals**. The Queen City Chevelle club out of Springfield Mo. Volunteered to host the event.

Springfield can host the show **June 30 and July 1, 2023** at the Oasis Hotel and Convention Center.

We now all have plenty of time to plan on attending this event in Springfield. If you can, you really should put this on your calendar for next year.

WACO has some very nice WACO Work Shirts for sale. Check them out at the next meeting if you don't already have one. J.

It is now 2023 and time to renew your WACO dues at only \$30.00 per year.

Our church (Riverlawn Christian) located just North of K96 on Meridian is doing their first **car show April 22 from 9 AM to 1 PM**. I've attached the graphic and included email excerpt with information. If appropriate I'd appreciate sharing with the members.

We've got some really nice "Yeti Style" Cups (32oz) that we will be giving to everyone who registers. We will also have some plastic party type cups with the logo on there to give to everyone. The T-Shirts are coming along, and we will have them too. As we mentioned we will have hotdogs, chips, and a drink available for every registration, and they will be available to

purchase really cheap. As an added bonus, we've added coffee and donuts (free) at the Coffee Bar that morning. The idea is to get people to come into the building and look around a little. Both men's and women's bathrooms will be open too.

Thanks, Bill Washburn

Here is some current information From Greg on the **Cars and Coffee** show that is going on Saturday mornings. It looks like Cars and Coffee will start on Saturday March 18th and be held the third Saturday of each month after that.

I am sure that updates will follow shortly.

ANNOUNCEMENT!

For the 2023 season, Cars & Coffee will be moving to Wichita State University @ Braeburn Square! We'd like to thank everyone involved at WSU for giving us a home to continue to put this show on for another year. They are super excited to have us and plan to have some of their businesses open to us for food and restrooms as well. We will be using the lots at the corner of

21st and Oliver where Social Tap & Fuzzys are along with some adjacent lots as well. We will have a map up shortly as well as a list of businesses that will be open during this time. Please support these businesses and have some breakfast or an early lunch after you leave! They're the reason we were able to come here as they lobbied hard for our event. We are excited to give you more info as it comes available! Also keep an eye out for another possible announcement featuring a west side venue for a few pop-up or night events this year 🤙

I also want to give a HUGE thank you to Frank DeSocio for all he did for us at the Alley. He gave us an amazing home for years and I can't thank him enough. Unfortunately the sale to Bowlero brought in a corporate mindset and we found a new location who is much more welcome to what we do and how we do it so please show WSU and these businesses some love for working hard to allow us to put on our event for 2023. LOTS more to come but for now we have our season and let's crush it 🙌
