

03/07/24

WACO Family and Friends;

We had a lot of people eat last night's meeting, 35 was the count that I was given. We had a lot of things to talk about so it was a very good evening.

Make sure that you read the attached minutes that Becky put together for all of the details.

I hope that everyone could hear the show and tell information that David Jamis told us. It was the history of the car lots that were down on East Douglas from the 1930's until a more recent time. It was very interesting and most of it I didn't know about. Larry Adams also had a good story about how a bore scope he had purchased really helped him out with a power brake problem. Dan brought an old wire stripping tool that looked like an old aircraft tool. ☺ Good stories.

I think it was Lori that brought some homemade muffins, which I didn't get any of, my fault. ☺ I think Larry brought the cookies which I did get some of.

Please make sure that you read the T-shirt information that is below and get what you want on order.

We going to have a **WACO Chili Cookoff** this year. It will be held on Saturday March 23rd at 5:00 pm at Mike and Cindy's place, 11400 E Douglas. We will set up that morning at 10:00 am if you would like to help come on by. This event is always a good time so get your recipes out for your best chili, side dish or desert so you can win one of the exciting trophies. Read Becky's minutes for more information.

I have attached a current copy of the MCR 2024 flier for your use. Print one off and when you are talking to someone that might be interested in entering the show, give it to them. Come to the meeting and we will probably have some to give out.

I think the swap meet at Century II was a success for many of our members. Friday was a very busy day and Saturday had a lot of lookers but not as many buyers. It was still a good swap meet for many and to me the best part was getting to visit with everyone.

MCR 2024 1,000 point judging. I want to try and clear up or maybe muddy up the 1,000 point judging class that we are doing at MCR 2024.

All of the judging in this class is based on quality of work not on originality unless the owner says it is an original restoration. There is a big difference between judging original and judging quality for any of the classes that the car might be in. Most of the cars that want judged are not original restorations but are very good quality restorations. To judge in this class what the judges are looking for is quality of workmanship. If you have any questions please ask.

Many of you have asked about the WACO club t-shirt and “when are we going to get some more” of them. That is part of what we are attempting to do now.

The first item on this t-shirt form is the original WACO t-shirt. It is silver / med gray with only the WACO logo on it. It will probably have a small logo on the front and a large one on the back. We will be selling these to members at approximately our cost.

The second item on the t-shirt form is a florescent yellow t-shirt with the MCR 2024 art work on it.

The reason that we are offering this shirt is that WSU wants the helpers with MCR 2024 to wear florescent colored shirts or vests while helping in the parking lot at our show. This is for safety reasons and also to help with identifying WACO helpers. We do have florescent colored vests that helpers can wear but for those of you who would rather wear a nice florescent yellow t-shirt we decided to offer them to WACO members at only the \$10.00 and \$13.00 price which is below our cost. You do not have to buy one, you can always wear one of the vests. There may be benefits at a later time to having one. ☺

The last item on the list is the MCR 2024 event t-shirt in silver / med gray. We are making this available on this form in case you forgot to order one while registering your vehicle for the big event. We are also offering this shirt on this form in case you are not going to put your vehicle in the show but you would still like to have an event t-shirt.

All of these shirts will be ordered at the same time from Prairie Print so they will be available in time for our show at the end of May.

All of these shirts will be available on a pre-order basis only.

“Let’s all pre-registered ASAP” for MCR 2024.

I am receiving registrations almost daily for our show.

Next is a note from Ron Fleming about doing a cruise and then meeting at his house like we did last year.

We will have more information about this later.

It was fun last time and I hope everyone will try to go again this year.

WACO Members

Looking at April 6th for **WACO cruise** to Street Rods east of Clearwater and to my house after.

We are doing good on selling the grill raffle tickets. We have sold enough tickets to pay for the grill so more sales will be profit for WACO.

V-8 BBQ Grill Raffle. We are now selling raffle tickets for someone to win a beautiful V-8 looking gas grill. We have the grill and will be selling tickets at the next meeting and WACO Luncheon.

If members will help sell the tickets or at least buy some then we be successful. We raffled one off in the past and did real good raising money for the club. The tickets will only be \$1.00 each or 6 tickets for \$5.00.

The grill costs around \$550.00 so it is a sizeable investment by WACO. Plus we have to buy the raffle tickets. They may cost around another \$100 plus the fliers. We have around \$700.00 invested.
