

08/05/25

WACO Family and Friends;

The **next meeting** will be held this Wednesday, 08/06/25, 6:00 pm at Mike and Cindy's place. There should be a lot to talk about and plans to be made. Make sure that you bring your show N tell item.

I thought that it was a good time at the breakfast last Friday. The food was good and so was the conversation. We could have planned the seating a little better but all was still good.

The Cruise In at Nowhere Grill was a good time, but it was awfully hot out.

I haven't heard from anyone yet about the Augusta show, but I bet it was great. This might be the first time it wasn't 110 degrees in the shade. 😊

You can have articles on your car on our website if you put something together so we can have it posted for you.

You really need to go to our web site and look at the pictures that were taken while we were working on the firetruck. Hopefully one of the links below will get you there.

David Hime has been working with Dale to put pictures and a video on our website so we need to thank both of them for their efforts.

One of our new members, Mike Lapp is in need of a little help finding some parts.

I do need some help to see if anyone can help me find a part.

A friend has a 51 Belair with a 216. They need crank bearings for a standard. Say they can find them for an automatic but the ones for a standard are different. Can anyone help with where they might look to find those?

In honor of America's recent 249th birthday, let's take a moment to celebrate some of the most incredible things about her. Please follow this link to see an article by Victor Joecks, Jul 09, 2025 [AFN - A reminder of what's so great about America](#)

Anthony said that he was finally making some progress on his Chevelle but he would still appreciate some more help if anyone has time. Mccubbins2003@gmail.com or text or call 316 993 1971.

Below is a helpful note from Bill Washburn:

Here's the web site for the shifter doctor - the guy I used to have my Competition Plus shifter rebuilt.

David Hime suggested this get captured for club reference. Bill Washburn

WACO has received a \$250.00 donation from Wichita Burner to buy a raffle item to be raffled off at the Wichita Burner car show and open house that we all need to attend in September. We have decided to buy a bunch of tools for the raffle and the winner gets all. I think it will be a good raffle item for WACO to raise some money for the club.

Speaking of the Wichita Burner open house / car show, Kevin has arranged to have the Firefighters Museum people bring the 1932 Firetruck that a bunch of WACO members worked on. That will be a great display to have there.

Please make sure to put it on your calendar to attend the Wichita Burner open house when it gets here. It is a fun time and you will be glad that you attended.

It looks like we already have several things lined up for 2025 as WACO events and are working on a few others. The Midwest Chevelle Regional in KC September 5th & 6th, The **Wichita Burner open house and luncheon September 17th**, this is a great list to get things going in 2025.

Do not forget to get registered for the **38th Annual Midwest Chevelle Regionals 2025** being held in KC this year. I have some of their fliers and you can print a registration from their web site, www.midamericachevelles.com. September 5th & 6th will be here before you know it.

I would like to remind everyone that is a new year and time to **renew all of our memberships**. They are only \$30.00, and it seems to me that you get a lot for your **dues**.

You can make checks out to WACO and mail them to 7550 N Greenwich, Wichita KS 67226.

Something fun will be coming soon. Here is an exert from Becky's WACO minutes. Kevin asked if the club was interested in having another BBQ this summer like we had last year at Sedgwick County Park. Several members expressed interest in this activity. Kevin asked if someone would be willing to oversee this event. Mick offered to host it at his house in Viola. Watch for more information to come on this event.

This registry is hosted by Dale our web site guy. 😊

Springfield will not be able to host the 2026 Regionals.

We now have some fliers for the MCR show in KC for 2025.

Midwest Chevelle Regionals 2025: As usual Kevin is on top of things and has an update on the 2025 Regionals in KC. Here it is. The 2025 Chevelle regional date is September 5th and 6th in Kansas City, Ks. The show will be located at Nebraska Furniture Mart (NFM) in the same parking lot as the past events have been. Kevin

There is a very nice WW 1 Museum in the KC area that you can go to visit while at the Regionals if you want to.

Think more, talk less.
