WACO Family and Friends;

The Wichita Burner Open House and Car Show was a success even with the rain. I believe that a lot of the Wichita Burner customers attended the event and we had a decent showing of cars and motorcycles in spite of all the rain. I think that everyone had a good time listening to the music, eating some good food and shooting the bull. Time with family and friends is always good. WACO came out really good on the raffle and 50/50 pot due to the generosity of Troy with Wichita Burner and many of our own members. I want to say "Thank You" to all.

I want to mention to everyone that we are having a meeting to discuss the MCR 2026 Regionals. We have not completely committed to hosting the Regionals in 2026 because we still have many things to work out in a short time. We have not locked down a place yet to hold the event and we have not formed committees / groups for all of the things that need taken care of in advance of that commitment. Everything depends on members volunteering to help with the show.

We are going to have a meeting to discuss the Regionals on Tuesday 09/23/25 at 6:00 pm at Mike Howell's shop. If you would like to join in on the discussion and possibly volunteer for one of the committees, then please plan on attending.

Our next WACO meeting will be held on Wednesday October 1st at the Fireman's Museum at 1300 South Broadway. There is parking on the West side of Broadway across from the museum. Someone will be there to keep an eye on all of the cars, Chevelle's or daily drivers, during the meeting. The meeting will be at 6:00 pm inside the museum. If it turns out to be a rainy evening and they cannot pull the nice firetruck out of the building, we will have an alternate site lined up so we can still have our get together. If it is a rainy evening we will have the meeting at Mike's place. I will try and send out an e-mail in advance of the meeting in case there is a change of location. Watch for it.

It would be nice if members would send me information on shows that they plan on attending so I can let others know where members are going. After attending a show, if you would send me or David Hime pictures, we can get with Dale to put them on our website and share them with other members.

The MCR 2025 show hosted by the MACC was a very good show this year with 140 Chevelle's / El Camino's in attendance including two Z16's.

To view a picture of every vehicle at the MCR 2025 show, and more, visit the MACC website at <https://macswebs.com/mcrarchives/shows/mw2025/2025.htm> A big shout out goes to MACC members Ray and Diana Harper for taking these photos, and Dale McIntosh, our website administrator, for posting them.

We still have several fun events coming up that we should all consider attending.

Please plan on attending this event.

This event is one that we all really need to promote to ALL of our friends and family. FREE food and entry. ALL cars, trucks and motorcycles welcome.

Please make sure to put it on your calendar to attend the ITP open house when it gets here. It is a fun time and you will be glad that you attended.

A fun show with **FREE FOOD** is the cruise in show at **Inland Truck Parts**, 3610 S Norman St., (K42 & and Tyler) on Thursday October 2nd from 11:00 am until 2:00 pm. This was a fun event last year so please attend this year. Come and see all of the interesting things that they can do.

I will send a copy of the show flier to everyone in the next day or two. Invite family and friends and get your old or new hot rod out.

And let's not forget about the Hutchinson Swap Meet that will be coming up on October 24th and 25th. Remember we already have booth spaces reserved for all of our members use.

The **WACO Christmas Party** plans are being put together now, More information coming soon.

Several people have mentioned that we need to plan a cruise to El Dorado and go to the Oil Museum there. Afterwards we could go to one of the local eateries Willy's Sports Bar & Grill or the Blue Goose Tavern.

I will let you know when plans get put together.

Just so everyone knows, you do not have to drive your Chevelle / El Camino to our events, it is encouraged but not a requirement.

Everyone really needs to check out our website. David Hime and Dale have been making a lot of changes and have added a lot of really good pictures. <http://wichitachevelle.com>

You might have to copy and paste the link to make it work.

Send a picture of your car to David Hime dhime@sbcglobal.net and maybe a little story and he will get it on our site like others are.

You can have articles on your car on our website if you put something together so we can have it posted for you.

I would like to remind everyone that is a new year and time to **renew all of our memberships**. They are only \$30.00, and it seems to me that you get a lot for your **dues**.

You can make checks out to WACO and mail them to 7550 N Greenwich, Wichita KS 67226.

I am – You are, “We the People”.

He who dies with the most
Toys, wins!
Today is the most important day of your life.
Think Before You Speak.
Think more, talk less.
Think twice, say nothing.
Think what you like, but don't say it.
There should be a filter between the brain and mouth.
Let it go!
In God we trust.

Say it, forget it.
Write it, regret it.
