Make sure that you check out the **attached minutes** from our last meeting. There is a lot of good information in the minutes that Becky has provided.

I have also attached **Christmas Party** food sign up list. Check out the list, figure out what you would like to bring, let Becky know so she can add it to the list. 316-258-5628 [boatman\\_55@sbcglobal.net](mailto:boatman_55@sbcglobal.net)

She also needs to know how many children 10 and under will be attending.

5 out of 4 people have trouble with math.

Here are the November birthdays that I have collected:

Nov. 20 Anthony M.

Nov. 21 Teresa J.

Wish them a greeting on their special day! Becky Stukey

Why is there usually a black dot in the middle of bird poop?

The **WACO Christmas Party** plans are being put together, Kevin told us that our Christmas Party will be on Sat. Dec. 6 at the WSU Metroplex just like last year. This year the meat will be provided by select members of the club and the rest of us will provide sides and desserts. Dan will be calling Bingo again this year. There may be other games as well but all of that has not been decided yet. Be watching for more information, but you can at least put it on your calendar!

Just so everyone knows, you do not have to drive your Chevelle / El Camino to our events, it is encouraged but not a requirement.

I would like to remind everyone that is time to **renew all of our memberships**. They are only \$30.00, and it seems to me that you get a lot for your **dues**.

You can make checks out to WACO and mail them to 7550 N Greenwich, Wichita KS 67226.

The black dot is the feces and the white is the urine. They come out of the same hole at the same time.

I am sure that you are all aware that we are going to host the **MCR2026** event here in Wichita. Richard Bartel is heading up the drive to get sponsors for this event. **If you know of someone or a company that you think might want to help us with cash or, door prizes or goody bag items** but you don't think that you should contact them yourself then please contact Richard and he will make the contacts. Please send him an e-mail or give him a call and he will take it from there. The note from Richard and his contact information is next.

### **My fellow Chevelle Club Members,**

I am sending out this e-mail to begin the Sponsorship Drive for the 2026 Midwest Chevelle Regionals to be hosted by our club.

Before you know it will be past the Holidays and into the New Year. Then the first weekend in June will be upon us fast. This being said, I am asking for some help in finding some sponsor dollars. If you know of any companies or people that would like to become a sponsor or would like to donate any gifts and or door prizes, please feel free to reach out to these possible sponsors and work that Chevelle Club magic.

If you need any help on closing the deal? Don't be afraid to give me a call at my number below. Please see the attachment for the different levels of sponsorships and what they will receive in return. One of the things I have learned from doing shows is selling the idea of having them set-up at the event to promote their products and/or services. A Lot of times it's the residual effect of the networking at the event that will be a good return on investment for them. If you do collect funds from a sponsor please make sure to fill out the donation receipt that I have attached so that we can keep track of what is from whom.

Anyway, I hope that you all are as excited as I am in planning for the best Midwest Chevelle Regionals we have ever had.

Again, if you have any questions or concerns please call me at the number below. **Please keep in mind that my work hours are 7am to 3:30pm. Yes I still have my day job... LOL.**

For those that can help, I as well as the club officers appreciate all that you do and that we all appreciate the support.

Keep on Chevelling..... **Richard Bartel 316-631-5462 [fast1967ss@gmail.com](mailto:fast1967ss@gmail.com)**

**MCR 2026 update, information stolen from Becky's minutes.** We have set a date for this regional event for June 5-6 at the WSU campus again this year. We will have a 1 ½ day show. On Friday there will be registration and a cruise to a park and then we will feed those that are here on Friday. The actual car show will take place on Saturday. We have a different parking lot than we used last time. This parking lot will be next to the baseball field. This parking lot has electricity. It is in the shape of a crescent moon and borders on 21<sup>st</sup> street so it will have good visibility. There will not be

any WSU baseball during that time, so we don't need to worry about baseballs coming out and hitting the cars. Kevin has the parking lot already secured with WSU and has also secured 20 rooms at the Hyatt Hotel. These rooms will cost \$178.00 per night and must be reserved online only. Kevin was very pleased with the number of people who have volunteered to help get ready for the Regional. He will be sending out the list of volunteers that are heading up committees. Please be thinking about how you can help with this event. It takes all of us to make it a success!

You can make a difference.

JOY is a CHOICE

I am – You are, “We the People”.

He who dies with the most

Toys, wins!

Today is the most important day of your life.  
Think Before You Speak.  
Think more, talk less.  
Think twice, say nothing.  
Think what you like, but don't say it.  
There should be a filter between the brain and mouth.  
Let it go!  
In God we trust.

Say it, forget it.  
Write it, regret it.
